

Delta Revival— Restoration of a California Ecosystem

Video presentation and discussion

Ecologist Jim Cloern will introduce the video *Delta Revival*, produced jointly by the USGS and the CALFED Bay-Delta Authority. USGS scientists will answer your questions about this documentary, which shows:

- *biologists, chemists, physical scientists, and engineers working together to solve a complex environmental problem,*
- *team-based science learned from 3 decades of studies in San Francisco Bay and applied to the Sacramento-San Joaquin Delta ecosystem,*
- *the joy of scientific discovery, and*
- *how new scientific discoveries can guide future ecosystem restoration.*
